THESE MEN WERE KILLING THEM

* THE MEN - KILLING THEM

Come right. This
isn't a place for
humans to live.

You've
become as
thin, human.

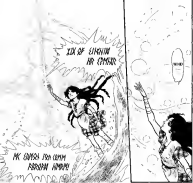

Actually,
it's too bad
for a slave.
You'll get
used to it.

I'm dying
of the foul
smell.

And I don't know
if it's for warmth
or whatever, but
sleeping under the
floor is really better.

Vafþrúnnir
replied,

"Bravely she sits
at the edge of the
world, huge in
eagle feathers.

From her
wings, they say,
the wind comes
that drives over
mortal men."

— from the Poetic
Edda — "The Lay of
Vafþrúnnir"

But
they are
invisible.

And in
dream,
"they"
appear.

At present,
the castle and
they are distant.

A voice
calls...

This
was the
beginning
of the
Renaissance.

Looks like
you finally
understand
what the
Tians are.

As names must
be awarded,
their names
became "Thun-
der".

They do not
narrowly with
in due and
quite to return.

Thunder

The silent
battering god was
riding the waves.

Yes

Are you
sure it was
this god
you saw that
first?

PLEASE
BELIEVE
IN ME

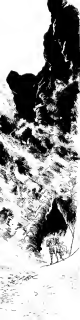

FROM NOW ON,
ALL I DO WILL
BE FOR YOUR
SAFETY ALONE...

YES

WELL
BY
CLAY'S
KOH.

SHOULD
SOMETHING
HAPPEN TO ME,
SEEK HELP
FROM THE MAN
NAMED "HOLF."

I'M
FINE!
